

Práticas recomendadas para **wireframing**

Carla de Bona

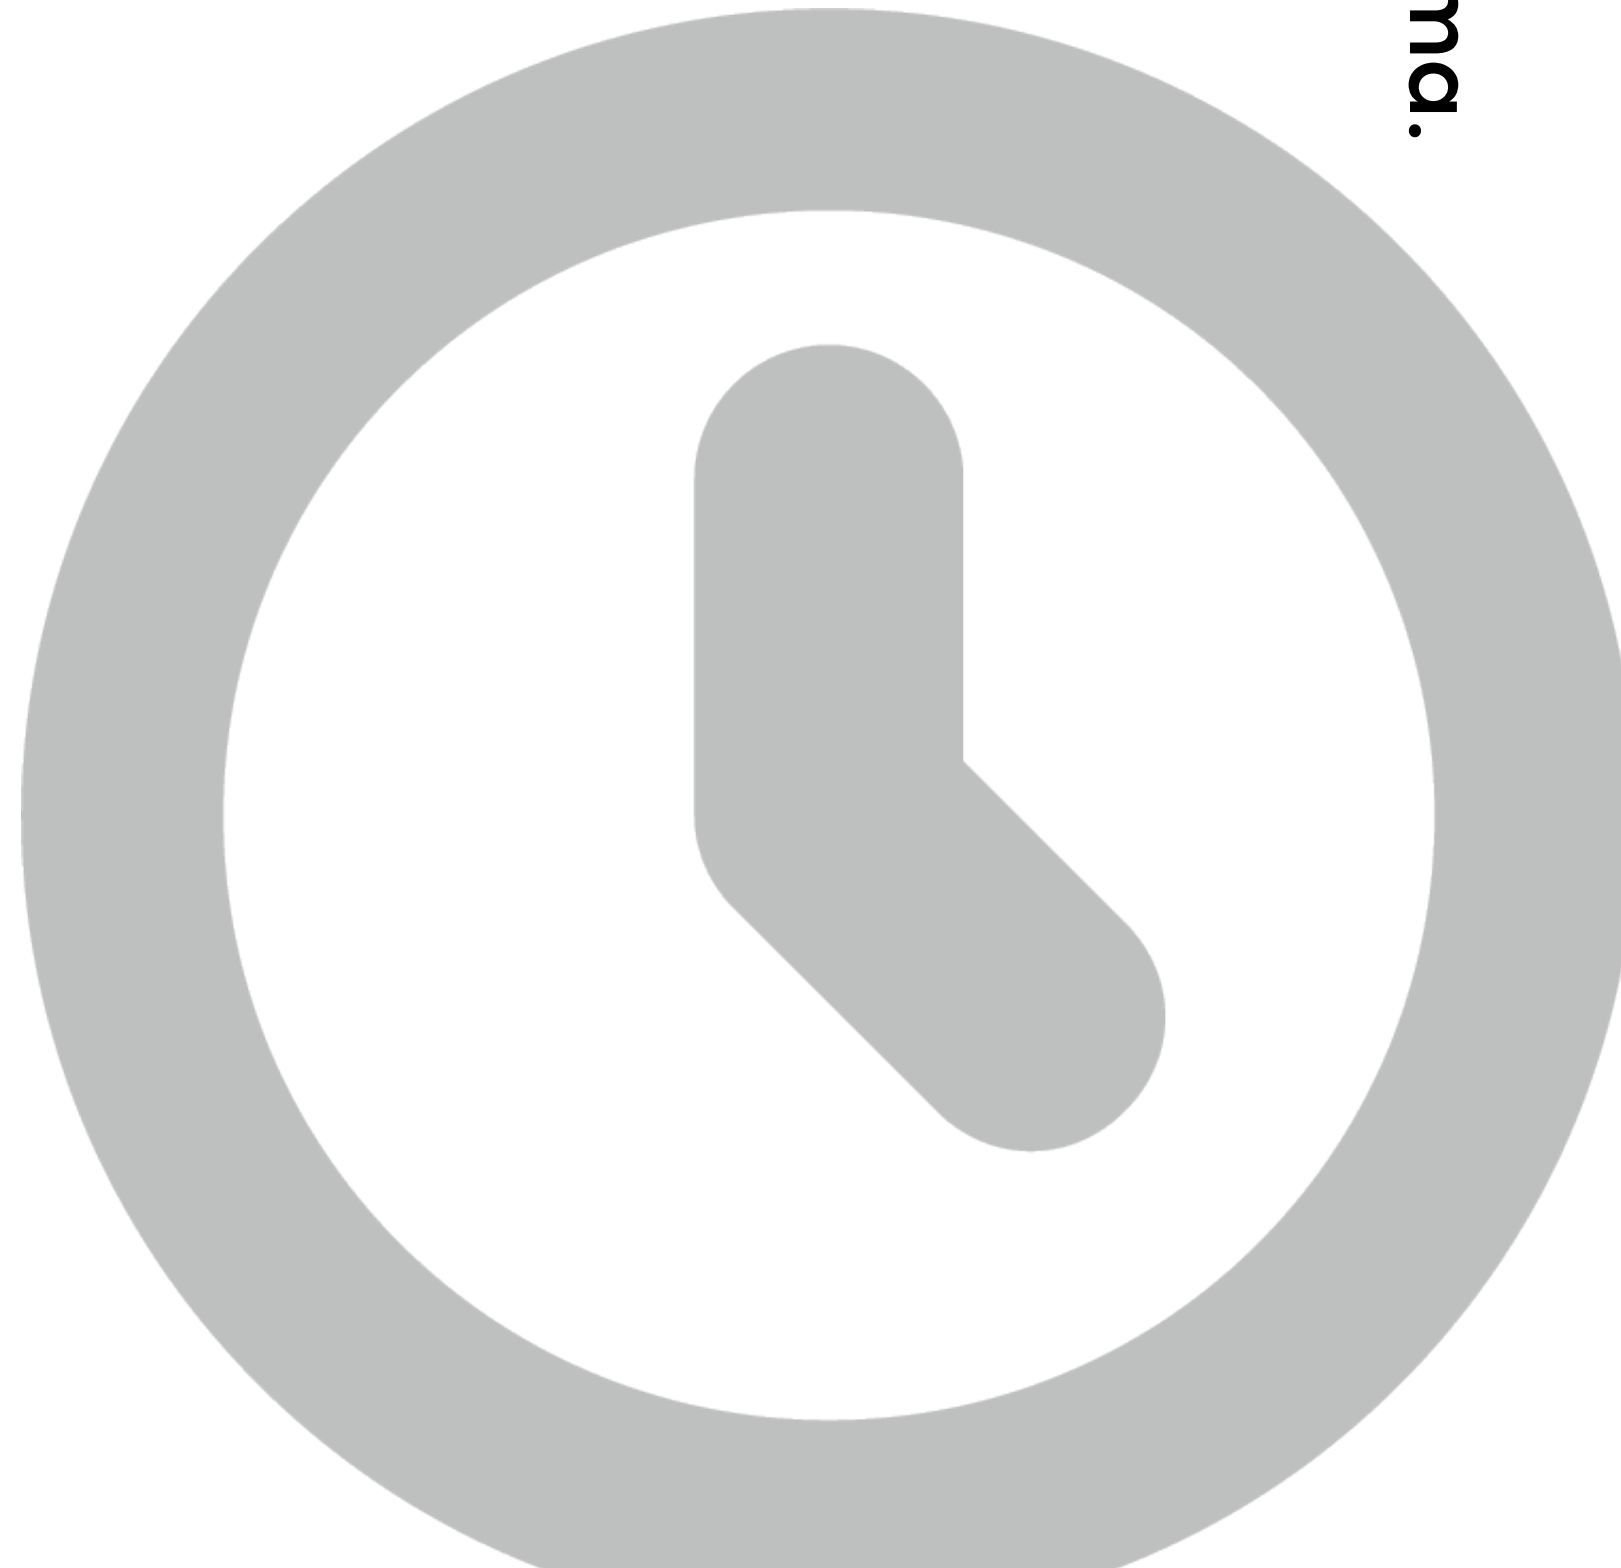

mentorama.

mentorama.

Por que eu deveria
fazer protótipos
de wireframes?

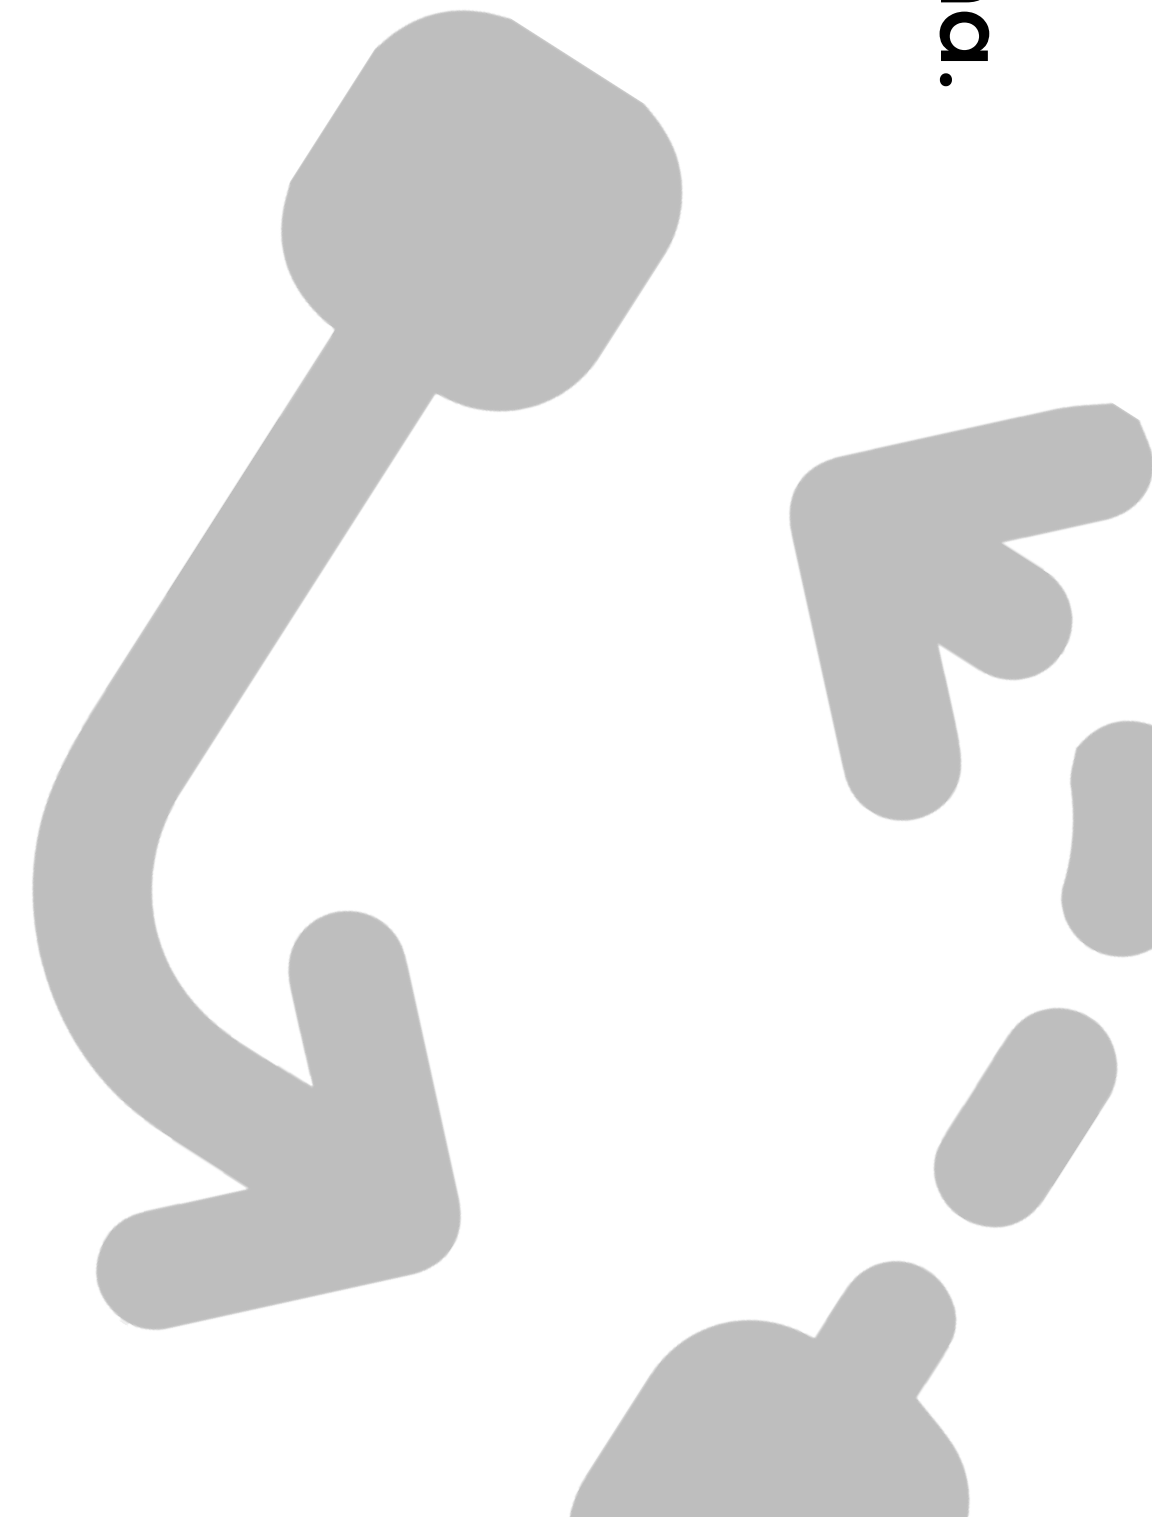

**Realmente
economiza
tempo**

mentorama.

mentorama.

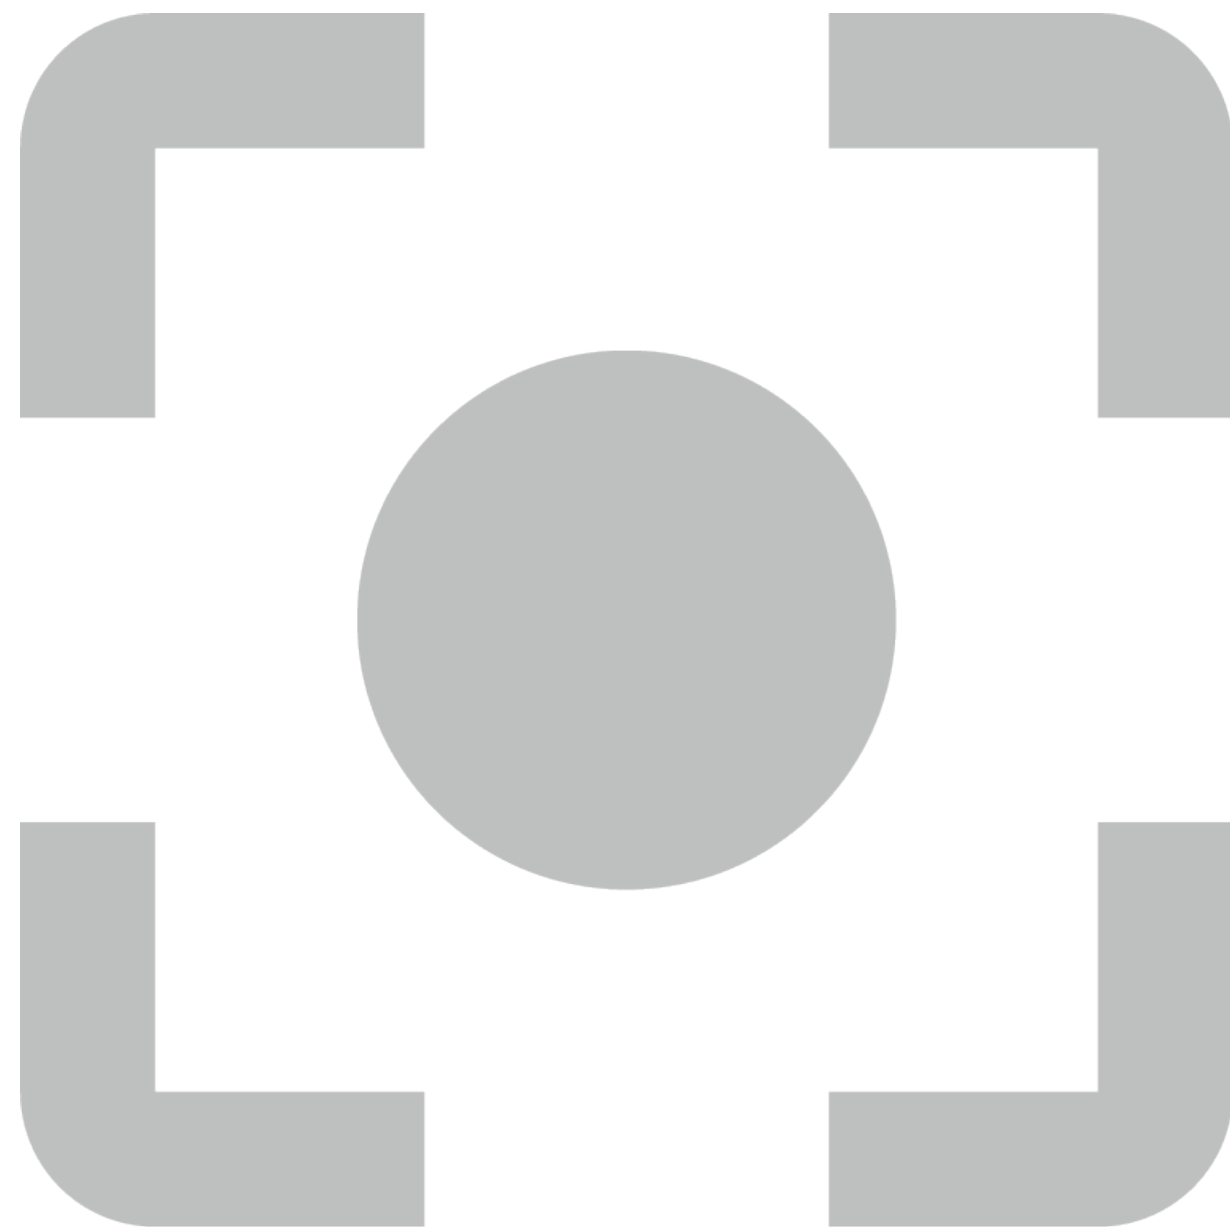

**Mudanças rápidas
de qualquer
posicionamento
de elementos**

**Rápida e barato,
especialmente
se você usar
ferramentas
de prototipagem**

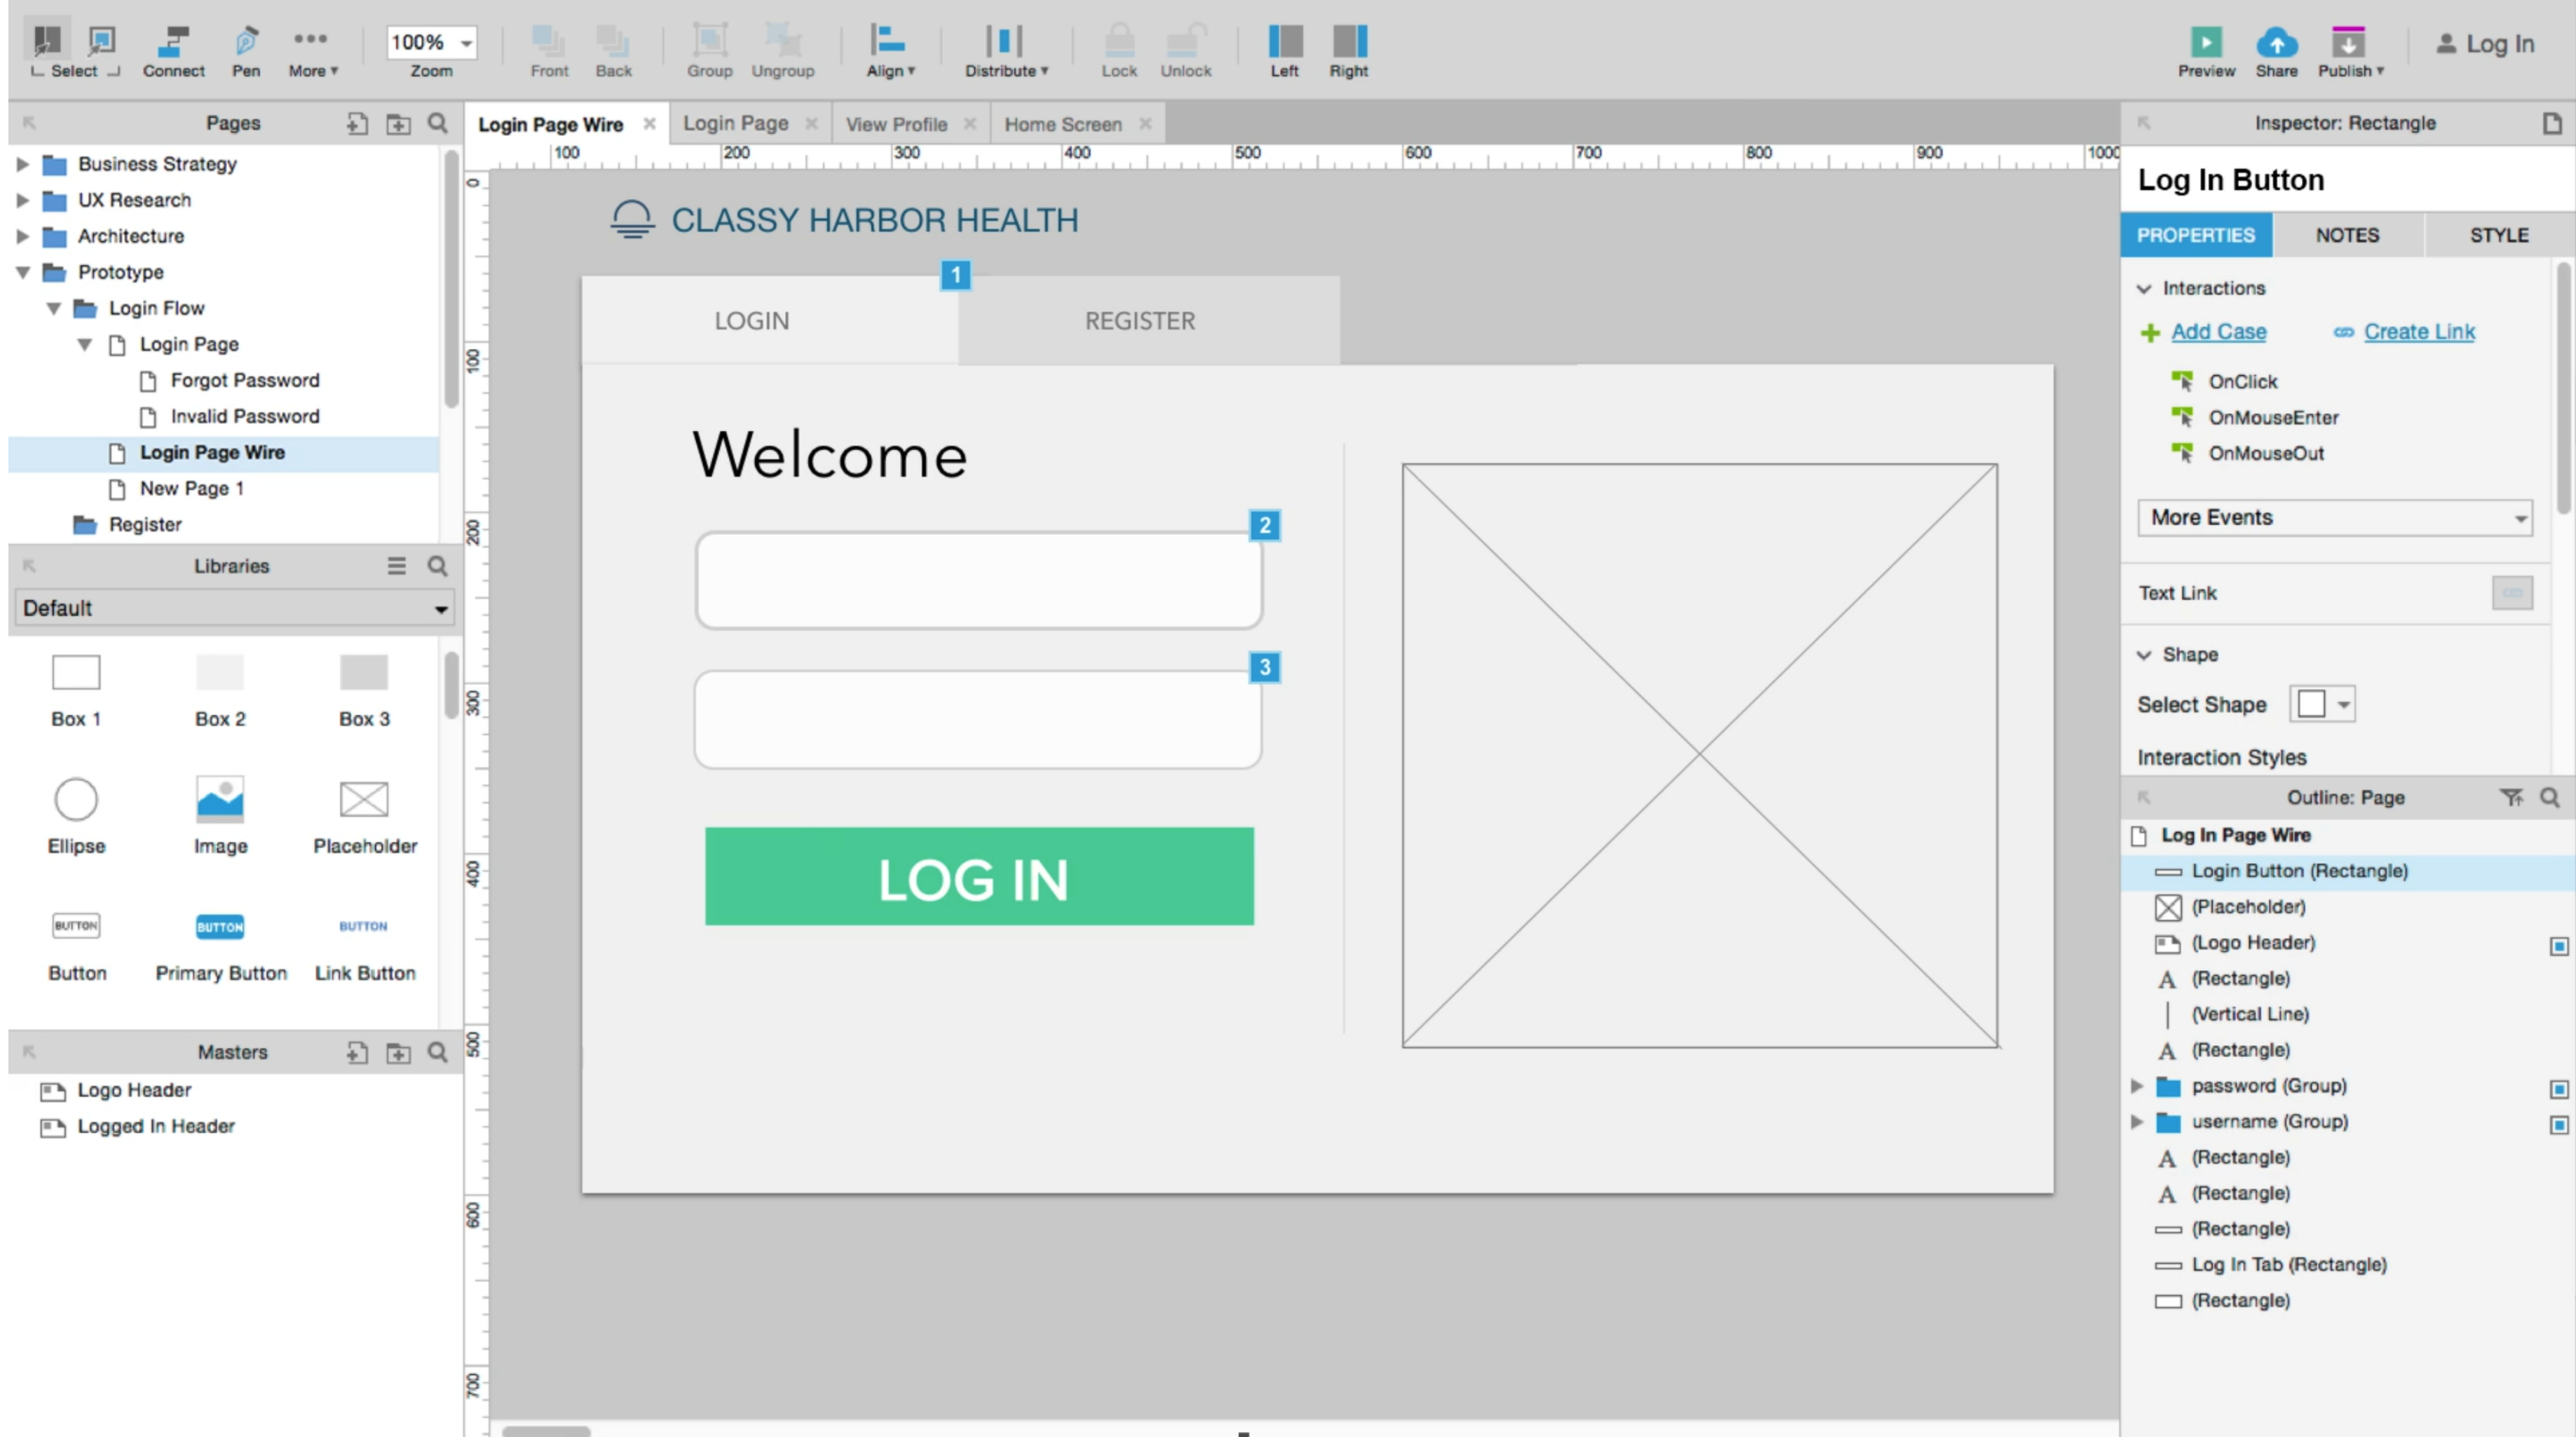

**Úteis para
manter todos
os envolvidos
na mesma
página**
