

COPY PARA AFILIAÇÃO (FUNDO DE FUNIL)

Hello how are you?

My name is **SEU NOME AQUI**, and I work extremely professionally as an affiliate, I always seek to be linked to products and platforms that work seriously because I value the reputation of my name in this market.

I've been tracking your product , for some time and it has all set out all the prerequisites taken into consideration for me to affiliate.

In addition, I felt great synergy with the product because I believe that it is really transformative in the lives of so many people, precisely for this, I would like to expand the sales of **NOME DO PRODUTO** using paid traffic strategy like: **ESTRATÉGIA QUE UTILIZARÁ** EX:google and bing ads.

Are you accepting professional affiliates who will not make amateur mistakes and thus raise the level of relevance of their products?

Best Regards,

SEU NOME AQUI.
