

The background of the entire image is a deep space scene. It features three large, curved horizons of the Earth, showing blue oceans and white clouds, positioned at the top, bottom, and right edges. The sky is a dark, velvety blue, densely populated with numerous small, bright white stars and some faint, wispy nebulae. The overall lighting is cool and ethereal, with a strong blue color palette.

GAVIN'S
ELITE SQUAD

ementa do curso
