Thought leadership

Pat Kelly

<https://www.youtube.com/watch?v=ZBKX-6Gz6A>

Walk onstage, walk onstage, walk onstage, walk onstage.

I am a **thought** leader.

You know **that** I'm a **thought** leader

because I'm wearing a blazer,

I have glasses, and I've just done **this with** my hands.

I will now walk over to my laptop.

By doing so, I'm demonstrating to you

that as a **thought** leader, I understand technology

and **that there** will be slides.

Because everybody knows **that** a presentation

seems more legitimate **than** it actually is

if **there** are slides.
